Softball 2022

Dear Parents and Athletes:

Our Fox Valley WELS Athletic League recently decided that they would attempt to resurrect its Spring softball season. Their purpose and desire is to offer more athletic opportunities for our students in grades 6-8, and to give students who may not have much experience at baseball or softball the opportunity to try it before moving on to high school.

This year's season begins the week of April 18th and ends the week of May 16th. None of the scheduled games will interfere with any of our Track Meets that are scheduled this year, and in an attempt to give students in grades 6-8 the opportunity to participate in both Softball and Track and Field, practices for both will occur once a week on different nights.

Softball is a coed event, and is open to all boys and girls in 6th-8th grade. This year, the RedHawks are excited to welcome Mr. Gordon Barth, father of eighth grade student Sienna Miller, as the team's head coach. Mr. Barth has numerous years of coaching experience coaching boys baseball, and is excited to get the season started. Practices will be held on Tuesdays from 3:15-5:00PM; the team's first practice will be next week Tuesday, April 5th. A location for our practices and games is still being finalized, but it will be communicated as soon as it is set.

In order to help us plan for this year's season, please indicate if your son/daughter will be participating as a member of this year's team by completing the permission slip at the bottom of this note.

In Christ,
Mr. Thies

My son/daughter, _____, will participate
(Athletes name)

In the 2022 Softball program.
